

Quick Start Guide: Click on the [Classifieds link](#).

1st you will need to set up an account with user name and password. This will provide you the authority to later modify or delete your Ad. Click on PLACE AD. There are 5 categories to choose from: Air Cooled, Water Cooled, Porsches Wanted, General and Parts. A Headline or Title is required, Contact Information, the asking price, details about what you are selling or trying to find. At the bottom of the form there is a security question (simple math problem) to keep spammers at arms' reach. After all sections have been filled out to your satisfaction Place the Ad.

The program will send an email to you and also to David Gentry who monitors our classifieds section. Once David reads it, he will activate the Ad and everyone will be able to view your Ad. From that point, you can edit the Ad and eventually delete the Ad. If you have any question please [David Gentry](#).
